Clay/Charles –

Right after I sent the email below, we received clarification from the Corps that the comment period extension (attached) also includes the Public Notice. The new deadline is August 29.

This latest development changes the schedule we discussed yesterday. I will give you a call tomorrow to discuss the revised schedule. While having the extra time is good, knowing the expected targeted dates will help all of us stay on track.

My 120-day detail officially ends on August 21. Michael Szerlog will pick this up when he returns to this position on August 28. During the one-week gap, Mary Anne Thiesing will serve as the acting Unit Manager.

Please note I have revised the list of Region 10 participants in the briefing for Lee.

Thanks.
